SCHOOL-AGED CHILD CARE

Reliable, affordable child care services are available at all elementary schools for before and after school care for the convenience of the parents. Parents may leave their children as early as 6:30 a.m. and pick them up as late as 6:00 p.m. at their elementary school. This service is provided by the YMCA at Red Bridge and Indian Creek Elementaries. For more information contact the YMCA at 913-345-9622. Child Care is provided by LINC at Center and Boone elementary schools. For Boone call 349-3695; for Center Elementary call 349-3469.

BUS INFORMATION

The District offers free transportation to students living more than 1 mile from the school in their regular attendance area. Families living closer than 1 mile may contract with the local bus company to arrange transportation. **First Student Bus Company 765-3100**

INCLEMENT WEATHER PROCEDURES

During inclement weather, supervisors begin driving the streets in the Center District at approximately 3:30 a.m. to assess road and weather conditions. Cancellation notices are made by the Superintendent of Schools to the radio and television stations for immediate broadcasting.

Cancelling or delaying school during inclement weather is always a difficult decision. After a decision has been made, weather conditions may change for the better or the worse. Your support and understanding are very valuable for the schools to work through these difficult conditions.

Please do not call the school during bad weather conditions except for emergencies. When the school telephone lines are all busy, the school district's ability to act in an emergency is greatly reduced.

PARENT-TEACHER CONFERENCE

Parents are children's first and most important teachers. Your continued support throughout your child's educational career makes a vital difference in your child's achievement. Dates are set aside on October 27 and 28 for EC/Elem/MS/HS and in April (K-12) for parent-teacher conferences. These meetings give parents and teachers an opportunity to meet one-on-one and team up to help children realize the greatest possible benefit from their classroom experience. For parents who are unable to attend daytime conferences, schools offer evening conferences. Check with your school for possible alternative conferencing schedules.
