PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges such as your telephone line, extended area service and mileage charges MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$37.26. Also, neglecting to pay for other charges such as any feature package, long distance, voice mail, InLine®, wireless, and Internet may result in these services being interrupted.
