You live in KCP&L – Missouri. KCP&L has four different service areas. Rates and available programs can vary based on your service area. For more information visit www.kcpl.com/ServiceArea.

Energize Our Environment. KCP&L works hard to improve our communities, and we want to support non-profit organizations that do the same. That's why we're launching the third annual Energizing Our Environment Microgrant Program. If you're a nonprofit who has an environmental project idea, go to kcpl.com/energize to fill out an application.

Beat the heat. If you don't have air conditioning, go to places such as a mall or a movie theater during the warmest part of the day for relief from the heat. Visit www.kcpl.com/summer for more heat-related safety tips.

Account Summary

for service from 06/03/2016 to 07/05/2016

Previously Billed

Payment Received 06/30/2016 - Thank you
